## OUR NON-VIOLENT PHILOSOPHY

Martin Luther King, Jr. once stated: **“Our methods will be that of persuasion, not coercion. Our actions must be guided by the deepest principles of our Christian faith. Love must be our regulating ideal.”** Like the marches of the Civil Rights movement in the 1960’s we too are walking and praying. **If you cannot remain calm and non-violent, please do not participate in our rally|walk or in any of our events.** Thank you in advance. – Issues4Life Foundation
